

# Lily Barrett **PHOTOGRAPHY** x ZARA BEVERLEY **MEDIA**

## HELLO!

We are a London-based photographer and videographer specialising in theatre and performing arts.

Our approach is collaborative, unobtrusive, and story-led. We're interested in atmosphere, emotion, and the tiny details that bring a production to life. We work with actors, theatre companies, and creatives to create images that support both the work itself and the need to shout about it afterwards.
